The RAILROAD MUSEUM OF LONG ISLAND "Steam Up LIRR 39" PS-1 40' Boxcar by *Bachmann*

The Railroad Museum of Long Island (RMLI) is pleased to announce a **VERY SPECIAL, "Silver Series" Bachmann HO scale commemorative car.** Production of this car will be limited only to those who purchase this car in advance. **All funds raised from the sale of this car will go toward the restoration of LONG ISLAND RAIL ROAD STEAM LOCOMOTIVE #39**

We need one million dollars to complete the restoration of Long Island Railroad steam locomotive #39 and bring her back into revenue service. This historic and unique Pennsy G5s Class locomotive served the people of Long Island from 1929 to 1955. For thirty-seven years, Long Islanders have been working toward restoration of this 4-6-0 steamer.

Please help us realize the vision of a coal fire and popping valves of a Pennsylvania/LIRR iron work-horse by adding this boxcar to your train collection! *Thank you!*
