~ Third and last in a series of 50th Anniversary G-16 cars! ~

The Railroad Museum of Long Island (RMLI) is pleased to announce the seventeenth in our series of **Lionel O gauge** commemorative cars. Production of this car will be extremely limited. Funds raised from the sale of this car go toward operation of the Museum, including education/restoration programs, exhibits, collections and the Historic Lionel Layout.

Every historic train that travels the country needs a place for the crew members to stay, clean up and “have beans!” Please welcome our **Lionel G-16 Crew Car** to complete your train!

In 2015 we continue to celebrate the 50th Anniversary of the **Allan Herschell, G-16 LIRR NY World's Fair Park Train** with this handsome bunk car. It features die-cast metal sprung trucks, operating couplers, interior illumination, applicable side light bezels and smoke jack.
