The RAILROAD MUSEUM OF LONG ISLAND

"STEAM UP LIRR 39" FUNDRAISER

The Railroad Museum of Long Island is pleased to announce,

A VERY SPECIAL, "Limited Edition" Collectible - Challenge Coin.

Production of this coin will be limited to only 300 pieces.

All funds raised from the sale of this coin will go toward the restoration of
LONG ISLAND RAIL ROAD STEAM LOCOMOTIVE #39

We need one million dollars to complete the restoration of Long Island Railroad steam locomotive #39 and bring her back into revenue service. This historic and unique Pennsy G5s Class locomotive served the people of Long Island from 1929 to 1955. For forty-one years, Long Islanders have been working toward restoration of this 4-6-0 steamer.

Please help us realize the vision of a coal fire and popping valves of a Pennsylvania/LIRR iron work-horse by adding this Challenge Coin to your collection! *Thank you!*

Cost of the "Steam Up LIRR 39" Challenge Coin is \$39.39 "shipping included." Canadian and foreign orders must add \$10.00 extra for shipping. You may pay by credit card, check or money order payable in U.S. funds to RMLI (Railroad Museum of Long Island). Please mail your payment or credit card information and signed order form to:
