The RAILROAD MUSEUM OF LONG ISLAND SKU 24-01030 Long Island Wine Country Tank Car

The Railroad Museum of Long Island (RMLI) is pleased to announce the twenty-sixth in our series of **Lionel O Scale** commemorative cars. Production of this car will be extremely limited to only those who purchase this car in advance. Funds raised from the sale of this car will go toward the operation of the Museum, including education/restoration programs, exhibits, collections and the Historic Lionel Layout.

Fifty years ago in 1973, Alex and Louisa Hargrave planted the first Long Island vineyard just half a mile west of Cutchogue's LIRR Station. Soon after, pioneering investors, grape-growers, and winemakers followed suit. Today, fifty-seven wine producers are dedicated to the pursuit of making exceptional world renowned Long Island wines.

On this, the Fiftieth Anniversary of Long Island Wine Country, the Railroad Museum of Long Island proudly celebrates our "Old-World" vitis Vinifera grapes, "Grown on Long Island," with a finely detailed "O Scale" collectible tank car built by Lionel.
